

ST. PETER CONNAISSEUR

Gourmets do know that indulgence is a very complex topic. Our connoisseur menus take you on a mouthwatering and fascinating trip through enjoyment.

A heartfelt welcome at St. Peter Stiftskulinarium. Thank you for being our guest!

In March we spoil you - in accordance with our venerable setting in the abbey of St. Peter - with Baroque specialties, as royals and clerics have enjoyed centuries ago. As man does not live by bread alone, our sommeliers selected some of the finest wines that are carefully and lovingly produced behind thick abbey walls.
