

ST. PETER CONNAISSEUR

Gourmets do know that indulgence is a very complex topic. Our connoisseur menus take you on a mouthwatering and fascinating trip through enjoyment.

A heartfelt welcome at St. Peter Stiftskulinarium. Thank you for being our guest!

In honor of spring we've unearthed something extra special. Enjoy an early harvest of the freshest white asparagus, accompanied by fragrant wild garlic and tart rhubarb. We introduce the refreshing bitterness of calamansi and coffee to enhance the grandeur of our protagonists. Veal sweetbreads, snails and pickled egg yolk make the dishes sparkle like the spring sunshine.
